Like us on

The club also would like to encourage parents, who haven't done so yet, to consider signing up for the Community Enterprise fund raising program to assist the Strathfieldsaye Community to develop its sporting and recreation needs. Those who utilise the services of the Bendigo Bank or Bendigo Community Telco can also support the community in this initiative at no cost to themselves

Coaching

We would also remind parents that tennis coaching is available at the courts through the services of local tennis professional Kieran Fitzgerald. Contact Kieran on 54395642 to arrange lessons.

The registration form is to be completed and returned by 21st September with accompanying fees. Please take the time to fill in all fields as it assists us in our endeavour to place players in teams and create an even competition.
